

Resurrection Catholic School – Lunch Menu

May & June 2010

Crispy Chicken Sandwich will be offered as an entrée alternative EVERY Tuesday and Thursday – except on pizza day!!

GREEN YOUR GARDEN

Create rich soil by composting your organic waste, which reduces the need for chemical fertilizers. Consider allowing a portion of your yard to return to its native state. When landscaping, try to integrate native wild flowers, shrubs, and grasses into your yard. They'll require less watering and attract birds and insects. Go organic in your garden. Demand is high for organic foods. Save money by growing your own!

Monday, May 3

FUN FRUIT FACT.

The same chemicals that give tart cherries their color may relieve pain better than aspirin and ibuprofen in humans.
