

Around the World in Winter!

Please join Church of
the Resurrection Catholic
Pre-K as our
children celebrate
Around the World
in Winter!

Our Pre-K will be converted into a Winter Wonderland where children learn about Arctic Animals, explore "snow," enjoy a winter snack, and participate in winter events. This will be a great opportunity for your child to participate in educational, developmental activities, while your family has a chance to observe our preschool in action, meet teachers, and learn more information about our school. Several of the stations are messy or may require active participation so we suggest that children wear comfortable play clothes and sneakers. There is no cost for your family to participate. Please RSVP to the school office by Monday, January 9, so that we can ensure adequate materials for all.
